STIPULATED REQUEST
 CASE NO. 3:15-cv-01165-HSG

1 WHEREAS,

2 1. On September 18, 2015, Plaintiffs Sierra Club and California Communities
3 Against Toxics filed “Plaintiffs’ Reply In Support Of Motion For Summary Judgment And
4 Opposition To EPA’s Cross-Motion For Summary Judgment,” and a supporting declaration and
5 exhibits. *See* DKT#36 to 36-10.

6 2. In that filing, Plaintiffs incorrectly numbered two exhibits and filed them in the
7 wrong order. Specifically, the declaration of Panagiotis E. Tsigotis (DKT#36-8) should have
8 been filed as Exhibit 5, and the excerpts from the document titled “Responses to Significant
9 Comments on the 2008 Proposed Rule on the National Ambient Air Quality Standards for Lead,”
10 (DKT#36-7) should have been filed as Exhibit 6. The reply brief and other supporting
11 documents do not require correction.

12 3. Pursuant to Local Rules 7-11 and 7-12, Plaintiffs request leave to make the
13 corrections to DKT#36-7 and DKT#36-8 described in paragraph 2, above, and re-file the reply
14 brief with the corrected supporting documents. No other changes would be made.

15 4. Plaintiffs have conferred with EPA, which does not object to Plaintiffs’ request to
16 correct the numbering of the two exhibits.

17 THE PARTIES HEREBY STIPULATE TO GRANT PLAINTIFFS LEAVE TO RE-
18 FILE THE REPLY BRIEF AND SUPPORTING DOCUMENTS WITH CORRECTED
19 EXHIBITS.

20
21 DATED: September 22, 2015

Respectfully submitted,

22 */s/ Nicholas Morales*
