WHEREAS, on August 5, 2015, the parties filed a Notice of Settlement and [Proposed] Order Continuing Case Management Conference (the "Notice of Settlement");

WHEREAS, the Notice of Settlement explained that the parties had reached an agreement to settle this action on an individual basis, contingent on final approval of a classwide settlement in Barron, et al. v. Snyder's-Lance, Inc., Case No. 0:13-cv-62496-JAL (United States District Court for the Southern District of Florida) ("Barron");

WHEREAS, if the class settlement is granted approval by the court in *Barron*, it would settle and release the claims of Plaintiffs and the proposed class they seek to represent in the abovecaptioned action.

WHEREAS, on September 22, 2015, the parties in *Barron* filed an Unopposed Motion for Preliminary Certification of a Class for Settlement Purposes and Approval of Notice (the "Motion for Preliminary Approval");

WHEREAS, on February 4, 2016, the *Barron* court issued an order, stating, amongst other things, that the court "has reviewed the Motion [for Preliminary Approval] and is prepared to enter an Order granting preliminary approval of the class action settlement and leave to file a third amended complaint . . . [but] the dates and deadlines included in the Proposed Order are no longer feasible." Accordingly, the *Barron* court ordered "that the Parties shall have until and including February 12, 2016, to submit a new proposed Order Granting Preliminary Approval of Class Action Settlement, and Leave to File Third Amended Complaint."

WHEREAS, on November 10, 2015, this Court granted the parties' stipulation to continue the November 19, 2015 Case Management Conference to February 18, 2016;

THEREFORE, the parties stipulate that, upon order of this Court, (1) the February 18, 2016 shall be vacated; (2) this action shall be stayed pending the court's decision in *Barron* on whether to grant final approval of the class settlement; (3) on or before May 19, 2016, the parties shall inform this Court of the status of the *Barron* case; and (4) the parties shall provide further status reports to this Court at ninety day intervals thereafter.
