From the United States District Court for the Northern District of California

YOU MAY BE PART OF A CLASS ACTION SETTLEMENT

DEADLINES APPLY

SUMMARY NOTICE OF CLASS ACTION SETTLEMENT

If you are a natural person who was a California resident and who, while physically located in California, called one or more of 28 specific toll-free telephone numbers operated by Defendants (“Vantiv”) during the period from January 24, 2014 through May 1, 2015, inclusive, and spoke with a representative, you may be entitled to money from a class action settlement.

Vantiv, as part of its services, operates a 24-hour contact center that handles toll-free calls from bank customers, credit union members, and other cardholders. During the period from January 24, 2014 through May 1, 2015, 28 toll-free telephone numbers handled by the Vantiv contact center were affected by a software error that caused undisclosed recording of calls to those numbers. A list of the 28 toll-free numbers affected by a software error that caused undisclosed recording of calls to those numbers during the Class Period can be found at the settlement website, www.CardServicesSettlement.com. This settlement covers those calls. Please read the rest of this Notice to find out more.

A proposed \$2,000,000 class action settlement has been reached in the lawsuit *Tuan Nguyen v. Vantiv, Inc., et al.*, USDC ND CA Case No. 3:15-cv-02436-LB. The lawsuit claims that Defendants recorded telephone calls of persons calling certain toll-free customer-service lines without telling callers that the calls may be recorded, allegedly in violation of California law. Defendants have denied the claims. Nonetheless, Defendants and the Class Representative have agreed to settle the dispute to avoid the uncertainty and costs of litigation.

This notice is only a summary. You may obtain more complete information by visiting www.CardServicesCallsSettlement.com and viewing the full class notice, by writing to the address at the bottom of this notice, or by calling the Claims Administrator at 1-8xx-xxx-xxxx.
