

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

WENDELL WALTON, et al.,  
Plaintiffs,  
v.  
AT&T SERVICES, INC.,  
Defendant.

Case No. 15-cv-03653-VC

**ORDER ON STIPULATION TO  
CONTINUE CASE MANAGEMENT  
CONFERENCE**

Re: Dkt. No. 183

The request to continue the case management conference to June 6, 2017 is granted. The request to vacate the deadline to file a motion for class certification is denied. This case is almost two years old. The parties have been asking for (and getting) way too many extensions. The Court will consider a request for a *very* brief extension at the June 6 case management conference (which will take place in person) but will only grant that request if the parties can give compelling reasons for it.

**IT IS SO ORDERED.**

Dated: May 10, 2017
