Now comes the United States of America, by and through its undersigned counsel, and pursuant to Rule 7-11 of the Civil Local Rules for the Northern District of California, seeks to continue the case management conference for an additional 60 days for the reasons set forth below:

1. Defendant John E. Milburn, is currently in Korea. The United States attempted to serve process upon Mr. Milburn in Korea. The first attempt was unsuccessful as the documents were “unclaimed.” The United States has attempted service of process a second time. A response to a status request was received on May 10, 2016, reporting “the case is in the process of service in the competent court and if I get the result, I’ll send ASAP.” Accordingly, the United States seeks to continue the case management conference, currently scheduled for May 19, 2016, at 10:00, to June 16, 2016, at 10:00 a.m.
