 CASE MANAGEMENT
 CONFERENCE STATEMENT
 AND PROPOSED ORDER
 AS MODIFIED

Date: March 1, 2016
 Time: 10:00 A.M.
 Place: Courtroom E, 15th Floor

21 Plaintiffs,

22 vs.

23 MARLON EUGENE HETTINGER,
 24 individually and doing business as
 25 HETTINGER ELECTRIC

26 Defendant(s).

27 Plaintiff in the above-entitled action submits this Case Management Statement and
 28 proposed order, and requests that the court adopt it as the Case Management Order in this case.
 Defendant has been served. Default has been entered. Plaintiffs plan to file an amended
 complaint and plan to file a default judgment.

DESCRIPTION OF THE CASE

This is a claim for unpaid employee benefits to Taft-Hartley Employee Benefit Trust

1 Funds. Plaintiff would like to continue the case until April 18, 2016. Default has been entered
2 against the Defendant. Since the last status conference Plaintiffs have reached an agreement to
3 settle a related bond claim with the General Contractor for benefits due and a claim on the
4 contractor's license bond. Pursuant to that settlement agreement with the General Contractor
5 on the claim on their payment bond, Plaintiffs have agreed to amend this complaint against
6 Hettinger Electric to include the General Contractor as a plaintiff to the extent that they have
7 made payments to the trust funds for benefits due by Hettinger Electric. We are in the process
8 of finalizing this agreement with the General Contractor, the terms of the amended complaint
9 and final terms of the default judgment. Therefore, Plaintiffs request that the case be continued
10 until April 18, 2016, for another Case Management Conference with the goal of submitting an
11 amended complaint and default judgment at that time that reflects the payments made by the
12 General Contractor and the new parties.
