PLAINTIFF’S APPLICATION FOR
 ORDER PERMITTING PLAINTIFF TO
 BRING VIDEO EQUIPMENT INTO
 COURT

Trial Date: January 9, 2017

 19 Plaintiff Layla Rezvan, in accordance with HSG Civil Pretrial and Trial Standing
 20 Order, Rule 27, hereby applies for an order permitting her to bring a video projector, screen, and
 21 related cables and power cords to court for the trial scheduled to commence on January 9, 2017.
 22 As discussed at the pretrial conference on December 20, 2016, plaintiff’s request is based on the
 23 following:

- 24 1. A large number of the exhibits to be presented are documents that, while
 25 displayable on the court’s video monitors, would be difficult for the jury to read on those
 26 monitors. The projector and screen would be used to supplement those monitors, allowing the
 27 jurors to follow the information on those exhibits on the screen, the court’s monitors, or both,
 28 whichever is of greater assistance to them.

1 2. The projector and screen would be used in conjunction with, and not
2 instead of, the court's monitors.

3 3. In cooperation with the court's staff, the projector and screen would be set
4 up in a fashion that they would not obstruct the court's view or movement into the courtroom.

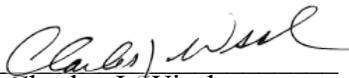

5 4. The projector and screen would be made available to defendant for its use
6 as well.

7 Wherefore, plaintiff requests that the court issue the accompanying order allowing
8 the requested additional courtroom technology.

9 Dated: December 21, 2016

Respectfully submitted,
