

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIAANDREW TAN, et al.,  
Plaintiffs,

v.

GRUBHUB, INC., et al.,  
Defendants.Case No. [15-cv-05128-JSC](#)**PRETRIAL ORDER NO. 1**

Following the Further Case Management Conference held on September 15, 2016, IT IS  
ORDERED THAT:

**I. CASE MANAGEMENT SCHEDULE**

Deadline for Hearing Dispositive Motions: March 9, 2017

The parties shall appear for a Further Case Management Conference on January 19, 2017  
at 1:30 p.m. The parties shall submit a joint case management statement one week prior.

**II. TRIAL DATE**

A. Jury trial will begin on June 5, 2017, at 8:30 a.m., in Courtroom F, 15th Floor, U.S.  
District Court, 450 Golden Gate, San Francisco, California.

B. The Court is expecting the length of the trial to not exceed 10 court days.

**III. PRETRIAL CONFERENCE**

A Final Pretrial Conference shall be held on May 4, 2017, at 2:00 p.m., in Courtroom F,  
15th Floor. Lead trial counsel for each party shall attend.

A. At least seven days prior to date of the Final Pretrial Conference the parties shall do  
the following:

1. In lieu of preparing a Joint Pretrial Conference Statement, the parties shall  
meet and confer in person, and then prepare and file a jointly signed Proposed Final Pretrial Order

1 that contains: (a) a brief description of the substance of claims and defenses which remain to be  
2 decided; (b) a statement of all relief sought; (c) all stipulated facts; (d) a joint exhibit list in  
3 numerical order, including a brief description of the exhibit and Bates numbers, a blank column  
4 for when it will be offered into evidence, a blank column for when it may be received into  
5 evidence, and a blank column for any limitations on its use; and (e) each party's separate witness  
6 list for its case-in-chief witnesses (including those appearing by deposition), including, for all such  
7 witnesses (other than party plaintiffs or defendants), a short statement of the substance of his/her  
8 testimony and, separately, what, if any, non-cumulative testimony the witness will offer. For each  
9 witness, state an hour/minute time estimate for the direct examination (only). Items (d) and (e)  
10 should be submitted as appendices to the proposed order. The proposed order should also state  
11 which issues, if any, are for the Court to decide, rather than the jury.

12                 2.       File a joint set of proposed instructions on substantive issues of law  
13 arranged in a logical sequence. If undisputed, an instruction shall be identified as "Stipulated  
14 Instruction No. \_\_\_\_ Re \_\_\_\_\_," with the blanks filled in as appropriate. If disputed, each  
15 version of the instruction shall be inserted together, back to back, in their logical place in the  
16 overall sequence. Each such disputed instruction shall be identified as, for example, "Disputed  
17 Instruction No. \_\_\_\_ Re \_\_\_\_\_ Offered by \_\_\_\_\_," with the blanks filled  
18 in as appropriate. All disputed versions of the same basic instruction shall bear the same number.  
19 Any modifications to a form instruction must be plainly identified. If a party does not have a  
20 counter version and simply contends that no such instruction in any version should be given, then  
21 that party should so state (and explain why) on a separate page inserted in lieu of an alternate  
22 version. With respect to form preliminary instructions, general instructions, or concluding  
23 instructions, please simply cite to the numbers of the requested instructions in the current edition  
24 of the Ninth Circuit Model Jury Instructions. Other than citing the numbers, the parties shall not  
25 include preliminary, general, or concluding instructions in the packet.

26                 3.       File a separate memorandum of law in support of each party's disputed  
27 instructions, if any, organized by instruction number.

28                 4.       File a joint set of proposed voir dire questions supplemented as necessary

1 by separate requests.

2 5. File trial briefs on any controlling issues of law.

3 6. File proposed verdict forms, joint or separate.

4 7. File and serve any objections to exhibits.

5 8. File a joint simplified Statement of the Case to be read to the jury during  
6 voir dire as part of the proposed jury instructions. Unless the case is extremely complex, this  
7 statement should not exceed one page.

8 B. Any motions in limine shall be submitted as follows: at least twenty (20) calendar  
9 days before the conference, the moving party shall serve, but not file, the opening brief. At least  
10 ten (10) calendar days before the conference, the responding party shall serve the opposition.  
11 There will be no reply. When the oppositions are received, the moving party should collate the  
12 motion and the opposition together, back-to-back, and then file the paired sets at least seven (7)  
13 calendar days before the conference. Each motion should be presented in a separate memorandum  
14 and properly identified, for example, "Plaintiff's Motion in Limine No. 1 to Exclude . . . ." Each  
15 party is limited to bringing five motions in limine. The parties are encouraged to stipulate where  
16 possible, for example, as to the exclusion of witnesses from the courtroom. Each motion should  
17 address a single, separate topic, and contain no more than seven pages of briefing per side.

18 C. Hard-copy courtesy copies of the above documents shall be delivered by NOON  
19 the day after filing. The Joint Proposed Final Pretrial Order, jury instructions, and verdict form  
20 shall be submitted via e-mail as attachments to JSCpo@cand.uscourts.gov. The Court requests that  
21 all hard-copy submissions be three-hole-punched.

22 **IV. PRETRIAL ARRANGEMENTS**

23 A. Should a daily transcript and/or real-time reporting be desired, the parties shall  
24 make arrangements with Debra Campbell, Supervisor of the Court Reporting Services, at  
25 (415) 522-2079, at least ten (10) calendar days prior to the trial date.

26 B. During trial, counsel may wish to use overhead projectors, laser-disk/computer  
27 graphics, poster blow-ups, models, or specimens of devices. Equipment should be shared by all  
28 counsel to the maximum extent possible. The Court provides no equipment other than an easel.

1 The United States Marshal requires a court order to allow equipment into the courthouse. For  
2 electronic equipment, parties should be prepared to maintain the equipment or have a technician  
3 handy at all times. The parties shall tape extension cords to the carpet for safety. The parties may  
4 work with the deputy clerk, Ada Means (415-522-2015), on all courtroom-layout issues.

### 5 **SCHEDULING**

6 Trial will be conducted from 8:30 a.m. to 2:30 or 3:00 p.m., depending on the availability  
7 of witnesses, Monday through Friday. Counsel must arrive by 8:15 a.m., or earlier as needed, for  
8 any matters to be heard out of the presence of the jury. The jury will be called at 8:30 a.m.

### 9 **THE JURY**

10 In civil cases, there are no alternate jurors and the jury is selected as follows:  
11 Eighteen to twenty jurors are called to fill the jury box and the row in front of the bar, and are  
12 given numbers (1 through 18). The remaining potential jurors will be seated in the public benches.  
13 Hardship excuses will usually be considered at this point. The Court will then ask questions of  
14 those in the box and in the front of the bar. Counsel may then conduct a limited voir dire.  
15 Challenges for cause will then be addressed out of the presence of the potential jurors. The Court  
16 will consider whether to fill in the seats of the stricken jurors. If so, questions will be asked of the  
17 additional jurors and cause motions as to them will be considered. After a short recess, each side  
18 may exercise its allotment of peremptory challenges out of the presence of the potential jurors.  
19 The eight (or such other size as will constitute the jury) surviving the challenge process with the  
20 lowest numbers become the final jury. For example, if the plaintiff strikes 1, 5, and 7 and the  
21 defendant strikes 2, 4, and 9, then 3, 6, 8, 10, 11, 12, 13, and 14 become the final jury. If more (or  
22 fewer) than eight jurors are to be seated, then the starting number will be adjusted. So too if more  
23 than a total of six peremptories are allowed. Once the jury selection is completed, the jurors'  
24 names will be read again and they will be seated in the jury box and sworn. The Court may alter  
25 this procedure in its discretion and after consultation with the parties.

### 26 **WITNESSES**

27 At the close of each trial day, all counsel shall exchange a list of witnesses for the  
28 next two full court days and the exhibits that will be used during direct examination (other than

for impeachment of an adverse witness). Within 24 hours of such notice, all other counsel shall provide any objections to such exhibits and shall provide a list of all exhibits to be used with the same witness on cross-examination (other than for impeachment). The first notice shall be exchanged prior to the first day of trial. All such notices shall be provided in writing.

### EXHIBITS

A. Prior to the Final Pretrial Conference, counsel must meet and confer in person to consider all exhibit numbers and objections and to eliminate duplicate exhibits and confusion over the precise exhibit.

B. Use numbers only, not letters, for exhibits, preferably the same numbers as were used in depositions. Blocks of numbers should be assigned to fit the need of the case (e.g., Plaintiff has 1 to 100, Defendant A has 101 to 200, Defendant B has 201 to 300, etc.). A single exhibit should be marked only once. If the plaintiff has marked an exhibit, then the defendant should not re-mark the exact document with another number. Different versions of the same document, e.g., a copy with additional handwriting, must be treated as different exhibits with different numbers. To avoid any party claiming “ownership” of an exhibit, all exhibits shall be marked and referred to as “Trial Exhibit No. \_\_\_\_\_,” not as “Plaintiff’s Exhibit” or “Defendant’s Exhibit.”

C. The exhibit tag shall be in the following form:

|                                                                                                                                                                                          |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>UNITED STATES DISTRICT COURT<br/>NORTHERN DISTRICT OF CALIFORNIA</p> <p><b>TRIAL EXHIBIT 100</b></p> <p>Case No. _____</p> <p>Date Entered _____</p> <p>By _____<br/>Deputy Clerk</p> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Counsel preferably will make the tag up in a color that will stand out (yet still allow for photocopying), but that is not essential. Place the tag on or near the lower right-hand corner or, if a

1 photograph, on the back. Counsel should fill in the tag but leave the last two spaces blank. The  
2 parties must jointly prepare a single set of all trial exhibits that will be the official record set to be  
3 used with the witnesses and on appeal. Each exhibit must be tagged, three-hole-punched, separated  
4 with a label divider identifying the exhibit number, and placed in 3-ring binders. Spine labels  
5 should indicate the numbers of the exhibits that are in the binders. Each set of exhibit binders  
6 should be marked as “Original.” Deposit the exhibits with the deputy clerk seven (7) days before  
7 the Pretrial Conference.

8 D. Counsel must consult with each other and with the deputy clerk at the end of each  
9 trial day and compare notes as to which exhibits are in evidence and any limitations thereon. If  
10 there are any differences, counsel should bring them promptly to the Court’s attention.

11 E. In addition to the official record exhibits, three sets of bench binders containing  
12 copies of the exhibits must be provided to the Court seven (7) days before the Pretrial Conference,  
13 one should be marked as “Chambers Copies”, and the other two as “Clerk’s Copies.” Each exhibit  
14 must be separated with a label divider identifying the exhibit number. (An exhibit tag is  
15 unnecessary for the bench set.) Spine labels should indicate the numbers of the exhibits that are in  
16 the binders.

17 F. Before the closing arguments, counsel must confer with the deputy clerk to make  
18 sure the exhibits in evidence are in good order.

19 G. Exhibit notebooks for the jury will not be permitted without prior permission from  
20 the Court. Publication must be by poster blow-up, overhead projection, or such other method as is  
21 allowed in the circumstances. It is permissible to highlight, circle or underscore in the  
22 enlargements as long as it is clear that it was not on the original.

### 23 CHARGING CONFERENCE

24 As the trial progresses and the evidence is heard, the Court will fashion a comprehensive  
25 set of jury instructions to cover all issues actually being tried. Prior to the close of the evidence,  
26 the Court will provide a draft final charge to the parties. After a reasonable period for review, one  
27 or more charging conferences will be held at which each party may object to any passage, ask for  
28 modifications, or ask for additions. Any instruction request must be renewed specifically at the

conference or it will be deemed waived, whether or not it was requested prior to trial. If, however, a party still wishes to request an omitted instruction after reviewing the Court's draft, then it must affirmatively re-request it at the charging conference in order to give the Court a fair opportunity to correct any error. Otherwise, as stated, the request will be deemed abandoned or waived.

**IT IS SO ORDERED.**

Dated: September 16, 2016

  
JACQUELINE SCOTT CORLEY  
United States Magistrate Judge
