UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

STEVE CAKEBREAD, et al.,

Plaintiffs,

v.

BERKELEY MILLWORK AND
FURNITURE CO., INC.,

Defendant.

Case No. [16-cv-00083-RS](#)

**ORDER CONTINUING MOTION FOR
SUMMARY JUDGMENT HEARING**

In light of the discovery dispute pending before Magistrate Judge Donna M. Ryu, the hearing on Plaintiffs' Motion for Summary Judgment is continued without prejudice. The Court refrains from addressing Defendant's request for deferral under Fed. R. Civ. Proc. 56(d) at this time. Once Magistrate Judge Ryu has resolved the parties' dispute, Plaintiffs may place their motion back on calendar and the parties may file supplemental briefs based on new discovery, if any.

IT IS SO ORDERED.

Dated: September 20, 2016

RICHARD SEEBORG
United States District Judge

United States District Court
Northern District of California
