**JOINT STIPULATED REQUEST TO
AMEND THE CASE SCHEDULE;
ORDER**

1 To accommodate the schedule of SRAM’s counsel, Plaintiff FOX Factory, Inc. (“FOX
2 Factory”) and Defendant SRAM, LLC (“SRAM”) respectfully stipulate, with the Court’s
3 permission, to continue certain dates in the Court’s case schedule as provided below.

4 In response to the Court’s recent Order denying the parties’ prior proposed amended
5 schedule and directing the parties to further meet and confer (Dkt. 50 in Case 3:16-cv-00506-WHO,
6 at 4), counsel further met and conferred and jointly communicated with Ms. Davis by email
7 regarding scheduling. The net result is that Ms. Davis has advised that the Court is available for
8 tutorial and claim construction hearings on September 22 and 29, 2017, respectively, and these are
9 the first dates offered by the Court that are also available to both parties. To accommodate this
10 proposed change, and mindful of the Court’s requirement that there be at least three months between
11 the dispositive motions hearing date and trial (*id.*), the parties respectfully propose the amended case
12 schedule below.

13 In view of the proposed continued dates for the tutorial and claim construction hearings, the
14 parties’ proposal would extend various dates by generally corresponding amounts, including the
15 dates for the close of fact discovery and the exchange of expert reports. The parties’ proposal would
16 allow at least three months between the proposed date for hearings on dispositive motions and the
17 first proposed trial date. In light of the proposed revised schedule, the parties also propose that each
18 party have an additional week to file the opposition and reply claim construction briefs, which
19 briefing would be complete more than three months before the proposed tutorial and claim
20 construction hearing dates.

21 More specifically, the parties stipulate and respectfully request that the Court modify the
22 following dates in the case schedule as provided below (all other dates in the Court’s schedule to
23 remain unchanged):
