5 pending applications to transfer to the U.S. District Court for the Central District of California and

1           9.       Oral argument in the MDL proceeding is presently set for March 31, 2016. MDL No.  
2 2693, Doc. No. 61.

3           10.       Plaintiff and Defendants stipulate that an interim stay of proceedings would further the  
4 purposes of MDL consolidation or coordination by conserving judicial resources, preventing  
5 inconsistent pretrial rulings, and promoting the interest of justice. *See also Rivers v. Walt Disney Co.*,  
6 980 F. Supp. 1358, 1362 (C.D. Cal. 1997) (“[I]t appears that a majority of courts have concluded that it  
7 is often appropriate to stay preliminary pretrial proceedings while a motion to transfer and consolidate  
8 is pending with the MDL panel because of the judicial resources that are conserved.”) (citation  
9 omitted); *Freisthler v. DePuy Orthopaedics, Inc.*, No. CV 11–6580 DSF (FFMx), 2011 WL 4469532,  
10 at \*2 (C.D. Cal. Sept. 21, 2011) (“The Court concludes that granting a stay pending the MDL panel’s  
11 transfer determination would conserve judicial resources.”); *Pacific Life Ins. Co. v. J.P. Morgan Chase*  
12 *& Co.*, No. SA CV 03–813GLT(ANX), 2003 WL 22025158, at \*2 (C.D. Cal. June 30, 2003) (staying  
13 proceeding pending MDL decision to conserve judicial resources and avoid duplication of pre-trial  
14 efforts); *Hardin v. Merck & Co.*, No. C 07 0070 SBA, 2007 WL 1056790, at \*2 (N.D. Cal. Apr. 5,  
15 2007) (“The decision to grant or deny a temporary stay of proceedings pending a ruling on the transfer  
16 of the matter to the MDL court lies within the Court’s discretion.”).

17           11.       Plaintiff and Defendants agree that a temporary stay would not unduly prejudice any  
18 party. Given the lack of prejudice, and given that Plaintiff and Defendants expect the Judicial Panel on  
19 Multidistrict Litigation (“JPML”) to rule on the pending MDL applications within a reasonable amount  
20 of time, the parties believe it prudent to stay this case pending the issuance of the JPML’s decision on  
21 whether to transfer the related cases to a single forum. Such a stay will maintain the status quo  
22 pending a decision on the MDL applications pending before the JPML, so the judge to whom these  
23 actions are ultimately transferred can at that time make all necessary case management decisions.

24           12.       Defendants are seeking or will seek shortly a similar stay in all VPPA Actions.  
25 Substantively identical stipulations have already been filed *Watts & Keeter v. VIZIO Holdings, Inc. et*  
26 *al.*, Case No. 8:15-cv-01860-JLS-KES, C.D. of California; *Weiss v. VIZIO, Inc.*, Case No. 8:15-cv-

9 of California.

10 13. All of the above-listed stipulations have been approved and entered by the presiding  
11 Court.

12 14. Plaintiff and Defendants specifically agree and stipulate that, by joining in this  
13 stipulation, Defendants are not and have not waived or forfeited any right or defense in this case.

14 15. Defendants have further agreed that, within fourteen days after entry of an Order  
15 staying the instant litigation, Defendants will provide all plaintiffs' counsel in each VPPA Action with  
16 (a) copies of the insurance policies under which an insurer may be liable to satisfy all or part of a  
17 possible judgment in the action or to indemnify or reimburse for payments made to satisfy the  
18 judgment; and (b) the names of witnesses Defendants at this time intend to present in defense of the  
19 action along with the corporate title or position of the witnesses identified and a general overview of  
20 what the witnesses have knowledge of. Plaintiff and Defendants understand that Defendants' review of  
21 the facts is ongoing.

22 Plaintiff and Defendants hereby stipulate to the above facts, and request an order (a) staying all  
23 proceedings in the above-captioned action (including Defendants' obligations to respond to the  
24 Complaint) until 30 days after the JPML decides whether to include this case in any centralized  
25 proceedings under 28 U.S.C. § 1407; and (b) vacating all current deadlines, including any deadlines to  
26 respond to the Complaint.  
27  
28

1 Plaintiff and Defendants further respectfully propose that, if this Court continues to preside  
2 over this action after the JPML has ruled on the pending Applications, the Court can set a status  
3 conference at which time the parties can brief the Court on the status of the VPPA Actions and the  
4 Court can set any relevant case management deadlines.
