 19 Plaintiff Jorge Aquino and Defendant Eric Razavi hereby stipulate that the Case
 20 Management Conference set for March 7, 2017, be continued ninety (90) days and request that the
 21 Court so order. This stipulation and request are made jointly based on the following:

- 22 1. The Case Management Conference is set for March 7, 2017 [Dkt. No. 15]. In
 23 advance of the conference, the parties are required, per rule 16(b) of the Federal Rules
 24 of Civil Procedure and this Court's Case Management Order dated December 13,

settlement conference [Dkt. No. 18].

3. Plaintiff's counsel and defense counsel have engaged in a meet and confer discussion regarding a discovery plan and the case generally. The parties agree that more time is needed to prepare for a potential settlement, and that it would be premature to draft a joint Case Management Conference Statement until settlement talks have concluded.

4. Therefore, the parties hereby stipulate to and request that the Case Management Conference of March 7, 2017 be continued ninety (90) days and that all related Rule 26 obligations be stayed until the Court sets a new date for the Case Management Conference.

It is So Stipulated.
