UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

KENNETH OLIVER OWENS,
Plaintiff,
v.
JOHN MANESS,
Defendant.

Case No. [16-cv-04495-JD](#)

**ORDER OF DISMISSAL WITH
LEAVE TO AMEND**

Plaintiff, a detainee, has filed a pro se civil rights complaint under 42 U.S.C. § 1983. He has been granted leave to proceed in forma pauperis.

DISCUSSION

STANDARD OF REVIEW

Federal courts must engage in a preliminary screening of cases in which prisoners seek redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). In its review, the Court must identify any cognizable claims, and dismiss any claims which are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. *Id.* at 1915A(b)(1),(2). Pro se pleadings must be liberally construed. *Balistreri v. Pacifica Police Dep't*, 901 F.2d 696, 699 (9th Cir. 1990).

Federal Rule of Civil Procedure 8(a)(2) requires only “a short and plain statement of the claim showing that the pleader is entitled to relief.” Although a complaint “does not need detailed factual allegations, . . . a plaintiff’s obligation to provide the ‘grounds’ of his ‘entitle[ment] to relief’ requires more than labels and conclusions, and a formulaic recitation of the elements of a cause of action will not do. . . . Factual allegations must be enough to raise a right to relief above

1 the speculative level.” *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007) (citations
2 omitted). A complaint must proffer “enough facts to state a claim to relief that is plausible on its
3 face.” *Id.* at 570. The United States Supreme Court has explained the “plausible on its face”
4 standard of *Twombly*: “While legal conclusions can provide the framework of a complaint, they
5 must be supported by factual allegations. When there are well-pleaded factual allegations, a court
6 should assume their veracity and then determine whether they plausibly give rise to an entitlement
7 to relief.” *Ashcroft v. Iqbal*, 556 U.S. 662, 679 (2009).

8 To state a claim under 42 U.S.C. § 1983, a plaintiff must allege that: (1) a right secured by
9 the Constitution or laws of the United States was violated, and (2) the alleged deprivation was
10 committed by a person acting under the color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

11 **LEGAL CLAIMS**

12 Plaintiff alleges that his defense attorney in his criminal case is not properly preparing his
13 defense. Plaintiff seeks injunctive relief and money damages. Defendants in state court
14 prosecutions cannot generally sue their lawyers under Section 1983 for mistakes in their
15 representation. A public defender does not act under color of state law, an essential element of an
16 action under 42 U.S.C. § 1983, when performing a lawyer’s traditional functions, such as entering
17 pleas, making motions, objecting at trial, cross-examining witnesses, and making closing
18 arguments. *Polk County v. Dodson*, 454 U.S. 312, 318–19 (1981). A private attorney
19 representing a defendant or appellant also is not a state actor. *See Simmons v. Sacramento County*
20 *Superior Court*, 318 F.3d 1156, 1161 (9th Cir. 2003).

21 Under principles of comity and federalism, a federal court should not interfere with
22 ongoing state criminal proceedings by granting injunctive or declaratory relief absent
23 extraordinary circumstances. *See Younger v. Harris*, 401 U.S. 37, 43-54 (1971). Federal courts
24 should not enjoin pending state criminal prosecutions absent a showing of the state’s bad faith or
25 harassment, or a showing that the statute challenged is “flagrantly and patently violative of express
26 constitutional prohibitions.” *Younger*, 401 U.S. at 46, 53-54 (cost, anxiety and inconvenience of
27 criminal defense not kind of special circumstances or irreparable harm that would justify federal
28 court intervention; statute must be unconstitutional in every “clause, sentence and paragraph, and

1 in whatever manner” it is applied).

2 Plaintiff’s allegations against him fall within the scope of work that *Polk County* has
3 determined is not actionable under Section 1983. For this reason, the claim may not proceed. Nor
4 can plaintiff present a state cause of action for malpractice under Section 1983. *See Ove v. Gwinn*,
5 264 F.3d 817, 824 (9th Cir. 2001) (“To the extent that the violation of a state law amounts to the
6 deprivation of a state-created interest that reaches beyond that guaranteed by the federal
7 Constitution, Section 1983 offers no redress.”) (internal quotation marks and citation omitted). To
8 the extent plaintiff seeks this Court to interfere with the ongoing state prosecution he will be
9 provided an opportunity to amend to demonstrate extraordinary circumstances.

10 **CONCLUSION**

11 1. The complaint is **DISMISSED** with leave to amend. The amended complaint must
12 be filed within **twenty-eight (28) days** of the date this order is filed and must include the caption
13 and civil case number used in this order and the words AMENDED COMPLAINT on the first
14 page. Because an amended complaint completely replaces the original complaint, plaintiff must
15 include in it all the claims he wishes to present. *See Ferdik v. Bonzelet*, 963 F.2d 1258, 1262 (9th
16 Cir. 1992). He may not incorporate material from the original complaint by reference. Failure to
17 amend within the designated time will result in the dismissal of this case.

18 2. It is the plaintiff’s responsibility to prosecute this case. Plaintiff must keep the
19 Court informed of any change of address by filing a separate paper with the clerk headed “Notice
20 of Change of Address,” and must comply with the Court’s orders in a timely fashion. Failure to
21 do so may result in the dismissal of this action for failure to prosecute pursuant to Federal Rule of
22 Civil Procedure 41(b).

23 **IT IS SO ORDERED.**

24 Dated: September 29, 2016
