UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

SCOTT JOHNSON,
Plaintiff,

v.

MARCELLE DOMINGUEZ, et al.,
Defendants.

Case No. 16-cv-04968-SK

ORDER TO SHOW CAUSE

The last filing in this action was a December 13, 2016 request to extend the time to complete the inspection, which was granted on December 14, 2016. (Dkt. 19.) The Order provided the parties time through January 27, 2017 to complete the inspection. There has been no subsequent activity on the docket. Plaintiff is asked to show cause in writing by April 21, 2017 why this case should not be dismissed for failure to prosecute.

This is the fourth case in which the undersigned issued an order to Plaintiff to show cause for failure to prosecute or otherwise comply with General Order No. 56 in less than six months.¹ Therefore, Plaintiff's counsel shall also provide an explanation as to why counsel should not be sanctioned \$250.00 for refusing to comply with General Order No. 56 and what action will be undertaken to ensure that case deadlines are met in the future.

IT IS SO ORDERED.
