**I.  
RECITALS**

1. State Farm filed its motion for summary judgment, or in the alternative, partial summary judgment (“Motion”) on January 25, 2018 (Dkt. 23).

2. Plaintiff filed her opposition to State Farm’s Motion on February 7, 2018 (Dkt. 24).

3. State Farm filed its reply brief in support of its Motion on February 15, 2018 (Dkt. 26).

4. Accordingly, the Motion is fully briefed.

5. The hearing on the Motion went forward on March 1, 2018, and the Court took the Motion under submission.

6. The parties recognize the Court’s determination of the Motion could either terminate this case or significantly narrow the issues relevant for trial. The parties would like to obtain a ruling on the Motion before incurring all of the costs of discovery and expert discovery, which would not be necessary if State Farm prevails or the issues are narrowed by the Motion.

7. Accordingly, the parties hereby stipulate to revising the Court’s Order as follows:

**II.  
STIPULATION**

The parties hereby stipulate, and request approval of the following revisions to the Court’s Case Management Order:
