UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

NEVRO CORP,
Plaintiff,
v.
BOSTON SCIENTIFIC CORPORATION, et
al.,
Defendants.

Case No. [16-cv-06830-VC](#) (MEJ)

**ORDER RE: MOTIONS TO FILE
UNDER SEAL**

Re: Dkt. Nos. 334, 352, 361

The parties filed three Motions to Seal documents filed in connection with Plaintiff Nevro Corp.’s Motion for Leave to File a Motion for Reconsideration. Dkt. Nos. 334, 352, 361. The parties argue the Motions contain information Defendants Boston Scientific Corporation and Boston Scientific Neuromodulation Corporation (together, “BSC”) designated as confidential. BSC filed declarations in support thereof. Dkt. Nos. 336, 338, 352-1, 364-65. Having reviewed the parties’ submissions, the Court finds good cause exists to seal this material. *See Center for Auto Safety v. Chrysler Grp., LLC*, 809 F.3d 1092, 1097 (9th Cir.), *cert. denied sub nom. FCA U.S. LLC v. Ctr. for Auto Safety*, 137 S. Ct. 38 (2016) (applying the “less exacting ‘good cause’ standard” for sealed materials attached to a discovery motion). Accordingly, the Court **GRANTS** the Motions to Seal.

IT IS SO ORDERED.

Dated: May 17, 2018

MARIA-ELENA JAMES
United States Magistrate Judge
