 STIPULATION AND [PROPOSED] ORDER  
 CONTINUING CMC  
 CASE No. 3:16-cv-07270-EMC

1           WHEREAS, plaintiff Anjani Kumar Jha (“Plaintiff”) filed the above-captioned securities  
2 class-action lawsuit on December 21, 2016;

3           WHEREAS, this action is subject to the provisions of the Private Securities Litigation  
4 Reform Act of 1995 (“Reform Act”), 15 U.S.C. §78u-4, which, *inter alia*, requires the Court to  
5 appoint a lead plaintiff;

6           WHEREAS, on January 13, 2017, the Court entered an Order setting an initial Case  
7 Management Conference (“CMC”) for March 16, 2017 and setting Rule 26(f) and CMC deadlines  
8 for March 9, 2017;

9           WHEREAS, no lead plaintiff motion has been filed and a lead plaintiff has not been  
10 appointed;

11           WHEREAS, if appointed lead plaintiff by the Court, Plaintiff anticipates that it will file an  
12 amended complaint;

13           WHEREAS, defendants anticipate that they will move to dismiss the amended complaint;

14           WHEREAS, on February 9, 2017, this Court ordered, pursuant to the parties’ stipulation,  
15 that Defendants need not respond to the complaint and that the parties shall meet and confer on a  
16 schedule after consolidation and the filing of a consolidated amended complaint;

17           WHEREAS, in light of the current procedural posture, and in particular, the fact that a lead  
18 plaintiff has not yet been appointed, and a consolidated complaint has not been filed nor an  
19 operative complaint designated, the parties respectfully request that the CMC and related  
20 deadlines be continued as set forth below.

21           NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and between  
22 the undersigned, subject to Court approval, as follows:

- 23           1. The CMC is continued pending the appointment of a lead plaintiff and the  
24           subsequent filing of an amended complaint or designation of an operative  
25           complaint. Likewise, the deadline for filing a CMC statement is continued  
26           accordingly.
