**JOINT STIPULATION AND
 [PROPOSED] ORDER TO (1) RE-SET
 STATUS CONFERENCE AND
 (2) EXTEND DEADLINES IN
 CONNECTION WITH
 (A) DEFENDANTS' MOTION TO JOIN
 OXFORD NANOPORE
 TECHNOLOGIES, AND
 (B) DEFENDANTS' ADMINISTRATIVE
 MOTION TO FILE DOCUMENTS
 UNDER SEAL (modified)**

JURY TRIAL DEMANDED

1 Plaintiff Regents of the University of California's ("Plaintiff") and Defendants Roger
2 Jinteh Arrigo Chen ("Chen") and Genia Technologies, Inc. ("Genia," and, together with Chen,
3 "Defendants") (collectively, Plaintiff and Defendants are referred to as the "Parties"), have met-
4 and-conferred and jointly stipulate and request as follows:

5 WHEREAS, following a mediation held on May 1, 2018, the Parties have entered into an
6 agreement in principle to settle this case, and the Parties require additional time to finalize a
7 definitive settlement agreement so that the case may be dismissed in its entirety following the
8 execution of that definitive agreement.

9 WHEREAS, the Court previously entered a stipulated order extending deadlines to allow
10 the parties to finalize the settlement agreement (Doc. 95), and the parties now require additional
11 time.

12 WHEREAS, the Parties have agreed to suspend further discovery activity and deadlines
13 until July 11, 2018 (including any deadlines for briefing relating to any motions pending before
14 the Court) while the Parties finalize the definitive agreement.

15 WHEREAS, the Parties are working diligently to finalize the definitive agreement.

16 WHEREAS, in accordance with their agreed suspension of discovery activity and
17 deadlines, the Parties respectfully request the following modifications of additional deadlines set
18 by the Court:

19 1. The Court has set a Status Conference in this case for June 21, 2018 (Doc. 95). In
20 order to allow the Parties time to finalize their settlement, the Parties hereby agree
21 and request that the Court re-set this Status Conference for July 19, 2018, as noted in
22 the Proposed Order attached hereto, or for an alternate date in late July 2018
23 convenient for the Court.

24 2. In its May 3, 2018 order (Doc. 95), the Court re-set the hearing on Defendants'
25 Motion to Join Oxford Nanopore Technologies, Inc. (Doc. 87) ("Defendants'
26 Motion") to July 26, 2018, and the deadlines for the Parties to file their response and
27 reply in connection with this motion to June 22, 2018 and July 6, 2018, respectively.

28 In order to allow the Parties time to finalize their settlement, the Parties hereby agree

1 and request that, as noted in the Proposed Order attached hereto: the time for Plaintiff
2 to file its Response to Defendants' Motion be extended to and including July 20,
3 2018; the time for Defendants to file their reply in support of Defendants' Motion be
4 extended to and including August 3, 2018; and the hearing on Defendants' Motion be
5 re-set for August 23, 2018.

6 3. In its April 27, 2018 order (Doc. 94), the Court denied-in-part and granted-in-part
7 Defendants' Administrative Motion to File Documents Under Seal, triggering a 7-day
8 deadline of May 4, 2018 for Defendants to file revised documents pursuant to Local
9 Rule 79-5(f). That deadline was re-set to June 11, 2018. (Doc. 95.) In order to allow
10 the Parties additional time to finalize their settlement, the Parties hereby agree and
11 request that the time for Defendants to file these revised documents pursuant to Local
12 Rule 79-5(f) be extended to and including July 11, 2018, as noted in the Proposed
13 Order attached hereto.

14 WHEREAS, the Parties have met and conferred and agree that there is good cause for
15 these stipulated modifications, and that this stipulation is not made for purposes of delay, but
16 rather so that the Parties can finalize the settlement of this case, which they are working
17 diligently to do. Thus, the Parties respectfully request that the Court sign the Proposed Order
18 attached hereto.
