Pursuant to Civil L.R. Rules 6-1(b) and 6-2 and the Court's Case Management Order, Dkt. 1 2 No. 86, Plaintiff Fitbit, Inc. ("Fitbit") and Defendants Cali Resources, Inc., Carlos Kelvin, and 3 Great Value, LLC (together "Cali"), as well as Defendants Laguna 2, LLC and Joel Blank (together "L2," and collectively with Cali and Fitbit, the "Parties") hereby respectfully submit the 4 5 following joint stipulated request and proposed order, requesting that the Court briefly extend the deadline for the Parties to hold the settlement conference for good cause set forth in more detail 6 7 below. The Parties have also concurrently filed the Declaration of Zachary Alinder in Support of 8 this Stipulation and Proposed Order ("Alinder Decl.), as required by Civ. L.R. 6-2(a). 9 I.

PRELIMINARY STATEMENT RE STIPULATED REQUEST FOR EXTENSION

10 Through this joint stipulated request, pursuant to Civ. L.R. Rule 6-1(b) and 6-2, the Parties respectfully request that the Court briefly extend the deadline for the Parties to complete a 11 settlement conference to November 8, 2017. For the reasons set forth below, the Parties stipulate 12 13 that this brief extension would enable the Parties to schedule a later conference, in which all 14 defendants can participate, but which will still conclude before the next case management 15 conference scheduled before the Court on November 9. In addition, the Parties have not previously requested any extension of the deadline to complete the settlement conference in this 16 17 Action. Accordingly, the Parties stipulate and respectfully submit that good cause exists here for 18 the requested extension because it would further the goals of the Court's ADR processes and also help conserve the resources and time of the Court and the Parties, while still preserving the broader case management schedule set by the Court in its Case Management Order, Dkt. No. 86.

II. **RELEVANT BACKGROUND**

On June 8, 2017, the Court held a case management conference in the above captioned case. (Dkt. No. 85.) In the Case Management Order issued following the conference, the Court set a deadline of October 13, 2017 to complete a settlement conference and set a further status 25 conference for November 9, 2017. (Dkt. No. 86.)

Subsequently Magistrate Judge Laporte issued an order setting a settlement conference for 26 September 20, 2017. (Dkt. No 89.) 27

On July 21, 2017, Fitbit filed a Second Amended Complaint. (Dkt. No. 92.) The Second
 Amended Complaint added eleven new defendants to the suit. On August 21, 2017, Defendants
 L2 and Cali moved to dismiss. (Dkt. Nos. 99, 101.) The hearing on those motions is currently
 scheduled for September 28, 2017, which is eight days after the currently scheduled settlement
 conference.

6 While Fitbit has served new defendants, they have not yet appeared or responded to the
7 Second Amended Complaint. (Dkt. Nos. 102-06.) It is unclear if they intend to participate in the
8 settlement conference currently scheduled for September 20, 2017.

III.GOOD CAUSE EXISTS FOR THE COURT TO BRIEFLY EXTEND THEDEADLINE TO HOLD THE SETTLEMENT CONFERENCE

L2 and Fitbit have previously attended two settlement conferences related to this dispute,
which were conducted in the District of New Jersey. Cali was represented and participated in the
second conference. Based on that experience, the Parties have conferred and agree that the next
settlement conference is substantially more likely to be fruitful if conducted after: (1) the hearing
on Defendants' pending motions to dismiss (set for September 28, 2017), and (2) the remaining
Defendants have appeared and confirm they can participate.

17 However, the Parties have met and conferred and have been unable to identify a suitable 18 date before the October 13, 2017 deadline that is available to Judge Laporte and to all Parties. In 19 addition, due to a trial scheduled in late October and other commitments, Cali is unavailable to 20 conduct a settlement conference during the weeks of October 9, 16, and 23. Finally, it is unclear 21 whether the newly-added Defendants are available for, and would appear, in any event for the currently-scheduled September 20, 2017 settlement conference date, since they have not appeared 22 23 in the case at this point. In addition, the Parties have submitted a declaration in support, setting 24 forth the items required by Civil L.R. 6-2(a)(1)-(3), by concurrently filing the Alinder Decl.

Accordingly, the Parties hereby stipulate and respectfully request that the Court reset the
deadline for completing a settlement conference to <u>November 8, 2017</u>. This deadline would
enable the Parties to schedule a later conference in which all defendants can participate, but which
