United States District Court
For the Northern District of California

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

ELIZABETH ANN SANGIMINO, *et al.*,

Plaintiffs,

No. C 17-01488 WHA

v.

BAYER CORP, *et al.*,

Defendants.

**ORDER DENYING REQUEST
TO STAY BRIEFING ON
MOTION TO DISMISS**

_____ /
This action was reassigned to the undersigned judge on March 30. The next day, plaintiffs moved to remand and separately moved to stay all other proceedings, including briefing on defendants’ already-pending motion to dismiss until the issue of subject-matter jurisdiction presented in the motion to remand is resolved. The issues in defendants’ motion to dismiss are closely related to their alleged basis for removal, and the Court will benefit from reviewing the briefing on both motions before ruling on either one, if not hearing argument on both simultaneously. Accordingly, plaintiffs’ motion to stay is **DENIED**. This is without prejudice to a stipulation setting a schedule for full briefing and oral argument on both motions simultaneously.
