IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

CHRISTOPHER MULDREW,

No. C 17-1906 WHA (PR)

Plaintiff,

**ORDER OF SERVICE;  
INSTRUCTIONS TO CLERK**

v.

DR. SAM PAJONG; DR. CARL  
BOURNE; J. VILLAFUERTE; DR.  
THOMAS E. ZEWERT; DEIRDRE  
BODENHEIMER;

Defendants.

---

**INTRODUCTION**

Plaintiff, an inmate at California State Prison, Sacramento, filed this civil rights case under 42 U.S.C. 1983 alleging that defendants — who all work at Salinas Valley State Prison (“SVSP”) — were deliberately indifferent to his medical needs. He is granted leave to proceed in forma pauperis in a separate order. For the reasons discussed below, the complaint is ordered served upon defendants.

**ANALYSIS**

**A. STANDARD OF REVIEW**

Federal courts must engage in a preliminary screening of cases in which prisoners seek redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C. 1915A(a). In its review the court must identify any cognizable claims, and dismiss any claims which are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. *Id.* at 1915A(b)(1),(2). Pro

1 se pleadings must be liberally construed. *Balistreri v. Pacifica Police Dep't*, 901 F.2d 696, 699  
2 (9th Cir. 1990).

3 Federal Rule of Civil Procedure 8(a)(2) requires only "a short and plain statement of the  
4 claim showing that the pleader is entitled to relief." "Specific facts are not necessary; the  
5 statement need only "give the defendant fair notice of what the . . . claim is and the grounds  
6 upon which it rests."" *Erickson v. Pardus*, 127 S. Ct. 2197, 2200 (2007) (citations omitted).  
7 Although in order to state a claim a complaint "does not need detailed factual allegations, . . . a  
8 plaintiff's obligation to provide the 'grounds of his 'entitle[ment] to relief' requires more than  
9 labels and conclusions, and a formulaic recitation of the elements of a cause of action will not  
10 do. . . . Factual allegations must be enough to raise a right to relief above the speculative  
11 level." *Bell Atlantic Corp. v. Twombly*, 127 S. Ct. 1955, 1964-65 (2007) (citations omitted). A  
12 complaint must proffer "enough facts to state a claim for relief that is plausible on its face." *Id.*  
13 at 1974.

14 To state a claim under 42 U.S.C. 1983, a plaintiff must allege two essential elements:  
15 (1) that a right secured by the Constitution or laws of the United States was violated, and (2)  
16 that the alleged deprivation was committed by a person acting under the color of state law.  
17 *West v. Atkins*, 487 U.S. 42, 48 (1988).

18 **B. LEGAL CLAIMS**

19 When liberally construed, plaintiff's allegations state cognizable claims that defendants  
20 were deliberately indifferent to plaintiff's need for medical care for his broken ankle and hand,  
21 in violation of plaintiff's Eighth Amendment rights.

22 **CONCLUSION**

23 For the reasons set out above, it is hereby ordered as follows:

24 1. The clerk shall issue summons and the United States Marshal shall serve, without  
25 prepayment of fees, a copy of the complaint with all attachments thereto, and a copy of this  
26 order upon defendants **Dr. Sam Pajong; Dr. Carl Bourne; J. Villafuerte; Dr. Thomas E.**  
27 **Zewert; Deirdre Bodenheimer** at **Salinas Valley State Prison**. A courtesy copy of the  
28

1 complaint with attachments and this order shall also be mailed to the California Attorney  
2 General's Office.

3 2. Defendants **shall** file an answer in accordance with the Federal Rules of Civil  
4 Procedure.

5 3. In order to expedite the resolution of this case:

6 a. No later than **91 days** from the date this order is filed, defendants shall file a  
7 motion for summary judgment or other dispositive motion. If defendants are of the opinion that  
8 this case cannot be resolved by summary judgment, they shall so inform the court prior to the  
9 date the summary judgment motion is due. All papers filed with the court shall be promptly  
10 served on the plaintiff.

11 b. Plaintiff's opposition to the dispositive motion, if any, shall be filed with the  
12 court and served upon defendants no later than **28 days** from the date of service of the motion.  
13 Plaintiff must read the attached page headed "NOTICE -- WARNING," which is provided to  
14 him pursuant to *Rand v. Rowland*, 154 F.3d 952, 953-954 (9th Cir. 1998) (en banc), and  
15 *Klinge v. Eikenberry*, 849 F.2d 409, 411-12 (9th Cir. 1988).

16 c. Defendants **shall** file a reply brief no later than **14 days** after the date of  
17 service of the opposition.

18 d. The motion shall be deemed submitted as of the date the reply brief is due.  
19 No hearing will be held on the motion unless the court so orders at a later date.

20 e. Along with his motion, defendants shall proof that they served plaintiff the  
21 *Rand* warning at the same time they served him with their motion. Failure to do so will result in  
22 the summary dismissal of their motion.

23 4. All communications by the plaintiff with the court must be served on defendants, or  
24 defendants' counsel once counsel has been designated, by mailing a true copy of the document  
25 to defendants or defendants' counsel.

26 5. Discovery may be taken in accordance with the Federal Rules of Civil Procedure.  
27 No further court order under Federal Rule of Civil Procedure 30(a)(2) or Local Rule 16-1 is

required before the parties may conduct discovery.

6. It is the plaintiff's responsibility to prosecute this case. Plaintiff must keep the court informed of any change of address and must comply with the court's orders in a timely fashion. Failure to do so may result in the dismissal of this action for failure to prosecute pursuant to Federal Rule of Civil Procedure 41(b).

IT IS SO ORDERED.

Dated: May 10, 2017.

**NOTICE -- WARNING (SUMMARY JUDGMENT)**

If defendants move for summary judgment, they are seeking to have your case dismissed. A motion for summary judgment under Rule 56 of the Federal Rules of Civil Procedure will, if granted, end your case.

Rule 56 tells you what you must do in order to oppose a motion for summary judgment. Generally, summary judgment must be granted when there is no genuine issue of material fact--that is, if there is no real dispute about any fact that would affect the result of your case, the party who asked for summary judgment is entitled to judgment as a matter of law, which will end your case. When a party you are suing makes a motion for summary judgment that is properly supported by declarations (or other sworn testimony), you cannot simply rely on what your complaint says. Instead, you must set out specific facts in declarations, depositions, answers to interrogatories, or authenticated documents, as provided in [current Rule 56(c)], that contradict the facts shown in the defendant's declarations and documents and show that there is a genuine issue of material fact for trial. If you do not submit your own evidence in opposition, summary judgment, if appropriate, may be entered against you. If summary judgment is granted, your case will be dismissed and there will be no trial.
