UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

JOHN HARDNEY,  
Plaintiff,  
v.  
JEFFREY FERGUSON, et al.,  
Defendants.

Case No. [17-cv-02390-JD](#)

**ORDER OF DISMISSAL**

Dkt No. 16

Plaintiff, a state prisoner, has filed a pro se civil rights complaint under 42 U.S.C. § 1983. The original complaint was dismissed with leave to amend and plaintiff has filed an amended complaint.

**DISCUSSION**

**STANDARD OF REVIEW**

Federal courts must engage in a preliminary screening of cases in which prisoners seek redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). In its review, the Court must identify any cognizable claims, and dismiss any claims which are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. *Id.* at 1915A(b)(1),(2). Pro se pleadings must be liberally construed. *Balistreri v. Pacifica Police Dep't*, 901 F.2d 696, 699 (9th Cir. 1990).

Federal Rule of Civil Procedure 8(a)(2) requires only “a short and plain statement of the claim showing that the pleader is entitled to relief.” Although a complaint “does not need detailed factual allegations, . . . a plaintiff’s obligation to provide the ‘grounds’ of his ‘entitle[ment] to relief’ requires more than labels and conclusions, and a formulaic recitation of the elements of a

1 cause of action will not do. . . . Factual allegations must be enough to raise a right to relief above  
2 the speculative level.” *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007) (citations  
3 omitted). A complaint must proffer “enough facts to state a claim to relief that is plausible on its  
4 face.” *Id.* at 570. The United States Supreme Court has explained the “plausible on its face”  
5 standard of *Twombly*: “While legal conclusions can provide the framework of a complaint, they  
6 must be supported by factual allegations. When there are well-pleaded factual allegations, a court  
7 should assume their veracity and then determine whether they plausibly give rise to an entitlement  
8 to relief.” *Ashcroft v. Iqbal*, 556 U.S. 662, 679 (2009).

9 To state a claim under 42 U.S.C. § 1983, a plaintiff must allege that: (1) a right secured by  
10 the Constitution or laws of the United States was violated, and (2) the alleged deprivation was  
11 committed by a person acting under the color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

12 **LEGAL CLAIMS**

13 Plaintiff alleges that he was improperly denied parole. He seeks injunctive relief and  
14 money damages. “Federal law opens two main avenues to relief on complaints related to  
15 imprisonment: a petition for habeas corpus, 28 U.S.C. § 2254, and a complaint under the Civil  
16 Rights Act of 1871, Rev. Stat. § 1979, as amended, 42 U.S.C. § 1983. Challenges to the  
17 lawfulness of confinement or to particulars affecting its duration are the province of habeas  
18 corpus.” *Hill v. McDonough*, 547 U.S. 573, 579 (2006) (quoting *Muhammad v. Close*, 540 U.S.  
19 749, 750 (2004)). “An inmate’s challenge to the circumstances of his confinement, however, may  
20 be brought under § 1983.” *Id.*

21 Habeas is the “exclusive remedy” for the prisoner who seeks “‘immediate or speedier  
22 release’” from confinement. *Skinner v. Switzer*, 561 U.S. 521, 525 (2011) (quoting *Wilkinson v.*  
23 *Dotson*, 544 U.S. 74, 82 (2005)); see *Calderon v. Ashmus*, 523 U.S. 740, 747 (1998); *Edwards v.*  
24 *Balisok*, 520 U.S. 641, 648 (1997); *Preiser v. Rodriguez*, 411 U.S. 475, 500 (1973). “Where the  
25 prisoner’s claim would not ‘necessarily spell speedier release,’ however, suit may be brought  
26 under § 1983.” *Skinner*, 561 U.S. at 525 (quoting *Wilkinson*, 544 U.S. at 82). In fact, a § 1983  
27 action is the exclusive remedy for claims by state prisoners that do not “lie at the ‘core of habeas  
28 corpus.’” *Nettles v. Grounds*, 830 F.3d 922, 932 (9th Cir. 2016) (en banc) (quoting *Preiser*, 411

1 U.S. at 487). A claim that meets the statutory criteria of § 1983 may be asserted unless it is within  
2 the core of habeas corpus because “its success would release the claimant from confinement or  
3 shorten its duration.” *Thornton v. Brown*, 757 F.3d 834, 841 (9th Cir. 2014) (citing *Preiser*, 411  
4 U.S. at 500).

5 In *Swarthout v. Cooke*, 562 U.S. 216, 220 (2011), the Supreme Court explained that, in the  
6 context of parole, its earlier cases had “held that the procedures required are minimal.” The Court  
7 earlier had “found that a prisoner subject to a parole statute similar to California’s received  
8 adequate process when he was allowed an opportunity to be heard and was provided a statement of  
9 the reasons why parole was denied.” *Id.* at 220. As long as the petitioner received at least that  
10 much process, the federal court’s habeas review is at an end. *See Cooke*, 562 U.S. at 220; *see*  
11 *Miller v. Or. Bd. of Parole and Post-Prison Supervision*, 642 F.3d 711, 716 (9th Cir. 2011) (“The  
12 Supreme Court held in *Cooke* that in the context of parole eligibility decisions the due process  
13 right is procedural, and entitles a prisoner to nothing more than a fair hearing and a statement of  
14 reasons for a parole board’s decision[.]”).

15 Plaintiff was denied parole in November 2011. Docket No. 1 at 34-54. The transcripts  
16 from the hearing demonstrate that plaintiff was present and participated. *Id.* The BPH partially  
17 relied on several disciplinary violations petitioner was found guilty of from 2007 to 2009.  
18 Plaintiff argues that defendants failed to properly follow state law and state regulations. This fails  
19 to state a federal claim because plaintiff has not identified a violation of a right secured by the  
20 Constitution or laws of the United States. Plaintiff’s allegations that his First Amendment  
21 freedoms were denied at the hearing are contradicted by the transcripts because plaintiff was  
22 allowed to speak throughout the hearing. That the defendants chose not to credit his verbal or  
23 written statements, does not demonstrate a constitutional violation.

24 To the extent that plaintiff wishes to challenge his parole denial or the disproportionality of  
25 his sentence, he must file a habeas petition. In order to recover damages for an allegedly  
26 unconstitutional conviction or imprisonment, or for other harm caused by actions whose  
27 unlawfulness would render a conviction or sentence invalid, a 42 U.S.C. § 1983 plaintiff must  
28 prove that the conviction or sentence has been reversed on direct appeal, expunged by executive

order, declared invalid by a state tribunal authorized to make such determination, or called into question by a federal court's issuance of a writ of habeas corpus. *Heck v. Humphrey*, 512 U.S. 477, 486-487 (1994). A challenge to the denial of parole, whether based upon procedural defects in the parole hearing or upon allegations that parole was improperly denied on the merits, directly implicates the validity of the prisoner's continued confinement. *See Butterfield v. Bail*, 120 F.3d 1023, 1024 (9th Cir. 1997) (noting that few things implicate the validity of continued confinement more directly than the allegedly improper denial of parole).

**CONCLUSION**

The motion for an extension (Docket No. 16) is **GRANTED** and the Court has considered the amended complaint. This action is **DISMISSED** for the reasons set forth above. Because plaintiff has already been provided an opportunity to amend and allow further amendment would be futile, the case is dismissed without leave to amend. If the parole denial is reversed or expunged, plaintiff may seek money damages. The Clerk shall close the file.

**IT IS SO ORDERED.**
