Summary

Deepak is an intellectual property and technology litigation partner at Farella Braun + Martel in San Francisco. He is a co-founder of Farella's Internet Law Group and is recognized as an "Intellectual Property Super Lawyer." Deepak brings to bear battle-tested trial advocacy techniques, fluency in technology, rock solid judgment and a tenacious competitive spirit.

Experience

Litigation Partner - Intellectual Property and Technology
Farella Braun + Martel
January 2008 – Present (9 years 6 months) | San Francisco Bay Area

- Patent, copyright and trade secret cases in federal courts around the country. Managing litigation teams, brief-writing, arguing dispositive motions, and executing expert discovery. Member of Firm Partner Admissions Committee, Client Advisory Board, and Diversity Committee.
- Firm liaison to the Federal Pro Se Project (arranging for pro bono services to federal pro se litigants).
- Presenting on current issues in Internet Law and intellectual property for the American Bar Association, Association of Corporation Counsel, Silicon Valley Association of General Counsel and the Bar Association of San Francisco.
- Jury trial experience as loaner district attorney for Contra Costa County.
- Active appellate pro bono practice for tech non-profits like Public Knowledge, Access Now and the EFF.

Associate
Quinn Emanuel LLP
October 2003 – January 2008 (4 years 4 months)

Lead associate on several intellectual property and general commercial disputes at the trial and appellate levels. Experience in brief-writing, managing discovery, taking and defending depositions and arguing in court. Recipient of intensive NITA-style trial advocacy training from Quinn's cadre of former Assistant U.S. Attorneys.
