UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

VINCENT KEITH BELL,
Plaintiff,
v.
CITY AND COUNTY OF SAN
FRANCISCO, *et al.*,
Defendants.

Case No. [18-cv-01245-SI](#)

**ORDER CONTINUING APRIL 10, 2020
CASE MANAGEMENT CONFERENCE
TO MAY 22, 2020 AT 3:00 PM; CASE
MANAGEMENT ORDER**

A case management conference is currently scheduled for April 10, 2020 at 3:00 p.m. The Court has reviewed the parties' joint case management conference statement and has determined that it is appropriate to continue the conference until **May 22, 2020 at 3:00 p.m.** The parties shall file a joint case management conference statement on May 15, 2020.

The Court enters the following case management order. Plaintiff is granted leave to file an amended complaint by **April 24, 2020**. The parties may begin discovery. The Court finds it premature to enter an order regarding electronically-stored information ("ESI"), and if any ESI is in fact stored on a proprietary software platform, plaintiff may renew his request for an order addressing that issue. As requested by the parties, the Court will defer setting a trial schedule until the May 22, 2020 case management conference.

IT IS SO ORDERED.

Dated: April 6, 2020

SUSAN ILLSTON
United States District Judge
