

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

SCOTT JOHNSON,
Plaintiff,

v.

MINT & BASIL CORPORATION,
Defendant.

Case No. 21-cv-03784-VC

**ORDER DENYING APPLICATION
FOR ENTRY OF JUDGMENT**

Re: Dkt. No. 19

The request for entry of judgment is denied. This case was dismissed with prejudice and the Court did not retain jurisdiction to enforce the settlement agreement. A contract dispute regarding compliance with that agreement is not properly before this Court.

IT IS SO ORDERED.
