8       of all such proposed exhibits. Voluminous exhibits shall be reduced by elimination of irrelevant  
9       portions or through the use of summaries. Each item shall be pre-marked with a trial exhibit  
10      sticker (“Trial Exhibit No. \_\_”), not deposition exhibit label, and defendant’s exhibit numbers shall  
11      be sequenced to begin after plaintiff’s exhibit numbers. If there are numerous exhibits, they

13      been provided as required are subject to exclusion.

14          b.       Stipulations re Admissibility. At least fourteen days prior to the Pretrial

23      Court in Chambers on the Friday prior to the trial date, marked and indexed in accordance with  
24      Local Rule 16-10(b)(7). Each page of every exhibit should contain the exhibit number in bold  
25      print in the lower right margin. Blocks of numbers shall be assigned to fit the needs of the case  
26      (e.g., Plaintiff has 1-100, Defendant has 101-200). The parties shall not mark duplicate exhibits  
27      (e.g., plaintiff and defendant shall not mark the same exhibit; only one copy of the exhibit shall be  
28      marked).

1 e. Witness Binders. If all of the exhibits in a case do not fit in one binder, then the  
2 parties shall prepare a witness binder for each witness that will testify regarding three or more  
3 exhibits. A copy of each witness binder should also be prepared for the Court.

4 f. Disposition of Exhibits after Trial. Upon the conclusion of the trial, each party  
5 shall retain its exhibits through the appellate process, as well as any exhibits that were offered but  
6 not admitted by the Court. It is each party's responsibility to make arrangements with the Clerk of  
7 Court to file the record on appeal.

8 **5. Motions In Limine**

9 Any party wishing to have motions in limine heard prior to the commencement of trial  
10 must file them at least fourteen days prior to the date set for the Pretrial Conference. All motions  
11 in limine shall be contained in one document, limited to 25 pages pursuant to Civil L.R. 7-2(b),  
12 with each motion listed as a subheading. Opposition to the motions in limine shall be contained in  
13 one document, limited to 25 pages, with corresponding subheadings, and shall be filed at least  
14 seven days prior to the Pretrial Conference. No reply papers will be considered. The motions will  
15 be heard at the Pretrial Conference or at such other time as the Court may direct. Nothing in this  
16 provision prevents a party from noticing its motions in limine regularly for hearing on or prior to  
17 the final date for hearing dispositive motions. No leave to file under seal will be granted with  
18 respect to motions in limine.

19 **6. Voir Dire**

20 The Court will utilize a Juror Questionnaire, which may include case specific questions, to  
21 be filled out by prospective jurors in advance of jury selection. Judge Orrick will hold a hearing  
22 one to three days prior to jury selection to consider whether any jurors should be excused for  
23 hardship or cause based on the written responses. Judge Orrick will only excuse jurors at that  
24 hearing if both parties agree. The parties shall review and follow Judge Orrick's Standing Order  
25 Regarding Juror Questionnaires and Social Media Research, which is incorporated by reference  
26 into this Order.

10 finish a witness) with two fifteen minute breaks. Trial is usually held from Monday through  
11 Friday. There will be no trial on May 17, 20 or 21.

17 used in opening statements. Unless otherwise agreed, the exchange must occur no later than  
18 Wednesday before the trial. Any objections not resolved must be filed in writing by Thursday  
19 before trial. The parties shall be available by telephone Friday before trial to discuss the issue  
20 raised with the Court.

21 e. The parties shall disclose the witnesses whom they will call at trial on any given  
22 day by at least 2:00 p.m. the court day before their testimony is expected. Failure to have a  
23 witness ready to proceed at trial will usually constitute resting.

24 f. The Court takes a photograph of each witness prior to the witness's testimony.

25 g. Other than a party or party representative, fact witnesses are excluded from the  
26 courtroom until they are called to testify, and may not attend in the gallery until their testimony is  
27 complete.

28 h. The Court does not typically allow bench conferences. If there are matters that

1 need to be raised with the Court outside the presence of the jury, the parties should raise them in  
2 the morning before trial or during recess. With advance notice, the Court is usually available at  
3 7:30 a.m. to address such matters.
