19 Plaintiff Jane Doe, proceeding *pro se*, and Defendant Xavier Becerra, by and through its counsel,
20 stipulate as follows:

21 1. On February 5, 2024, the parties submitted a stipulated request to continue Defendants’
22 response date and the initial case management conference to provide time for the parties to explore a
23 possible resolution of this matter without the need for Court intervention, and to allow time for Plaintiff
24 to recover from a medical procedure. Dkt. No. 18,

25 2. The Court granted the parties’ stipulation, as modified to allow for a non-public case
26 management conference, on February 8, 2024. Dkt. No. 19. Pursuant to that order, Defendant’s
27 response is currently due June 3, 2024, and the parties are to submit a joint status report by June 13,
28 2024.

1 3. The parties have been engaging in productive discussions in an attempt to resolve the
2 merits of Plaintiff's claims. These discussions are ongoing, and the parties are optimistic that they will
3 be successful in resolving the case. The parties need additional time to complete this process, however,
4 and for that reason they have agreed, subject to the Court's approval, that the deadline for Defendant's
5 response to the amended complaint be continued 30 days, to July 3, 2024. The parties will submit a
