6	IN THE UNITED STATES DISTRICT COURT
7	FOR THE NORTHERN DISTRICT OF CALIFORNIA
8	No. C 99-4933 CW
9	MICHAEL ROBERT PULIDO, ORDER SETTING
10	Petitioner, BRIEFING SCHEDULE
11	v.
12	ANTHONY HEDGPETH,
13	Respondent.
14	/
15	
16	The Ninth Circuit recently remanded this case in light of the
17	Supreme Court's decision in <u>Hedqpeth v. Pulido</u> , U.S, 129
18	S. Ct. 530 (2008). The Supreme Court held that a harmless error
19	standard governs this action. In light of the fact that the Court
20	has already conducted a harmless error analysis under <u>Brecht v.</u>
21	Abrahamson, 507 U.S. 619 (1993), the Court is inclined to reinstate
22	its decision of March 24, 2005 (Docket No. 20, available at 2005 WL
23	6142229).
24	Within five days of the date of this order, Respondent shall
25	file a brief of no more than five pages either identifying any
26	binding case decided after March 24, 2005 that would require the
27	Court to perform a new harmless error analysis, or stating that no
28	such case exists. Within five days thereafter, Petitioner shall

file a response not exceeding five pages in length. IT IS SO ORDERED. Claudichiken Dated: 4/10/09 CLAUDIA WILKEN United States District Judge
