11 On September 27, 2011, upon having been advised that the
12 parties had agreed to a settlement, the Court entered a
13 conditional order of dismissal of this cause. In that order, the
14 Court stated that if any party certified to the Court, with proof
15 of service upon the opposing counsel, within ninety days, that the
16 agreed consideration for the settlement had not been delivered,
17 the order would be vacated and the cause restored to the calendar
18 to be set for trial.

19 On November 18, 2011, Plaintiff Maria E. Pintos certified to
20 the Court that she had not yet received the settlement amount and
21 that it had been represented to her that Defendant Pacific
22 Creditors Association's insurer, Travelers, would issue and mail
23 payment for the settlement amount by the week of November 7-11,
24 2011. Plaintiff requested that the Court issue an order requiring
