1 The court has approved the parties' September 22, 2008 stipulation to extend by
2 one week the deadlines for filing of the opposition and reply briefs on plaintiffs' motion for
3 attorneys' fees. However, due to the number of motions on the court's calendar for
4 October 29, 2008, the hearing on this motion is continued to November 5, 2008. The court
5 may however vacate this date if after reading the briefs the court determines that no
6 hearing is necessary.
