CASE NO. 3:05-cv-04707 PJH

**STIPULATION FOR ORDER
 CONTINUING CASE MANAGEMENT
 CONFERENCE FOR 45 DAYS**

Local Rules 6-2 and 7-12

Hon. Phyllis J. Hamilton

Plaintiff, Genmark Automation, Inc. (“Genmark”) and Defendant, Innovative Robotics Systems, Inc., (“IRSI”) (Genmark and IRSI are collectively “the Parties”) hereby stipulate and agree to seek an order continuing the Case Management Conference which has been set by the Court to occur on July 15, 2010 by the Clerk’s Notice dated March 31, 2010 (Docket Item No. 112). The facts supporting this Stipulation are in the Declaration of Robert E. Camors, Jr. filed herewith and which is Exhibit A hereto (“Camors Decl.”).

1 Plaintiff and Defendant request the continuation of this case management conference in
2 order to have additional time to pursue settlement discussions and to prepare settlement
3 documentation. *See Camors Decl. at para. 3.* The parties have been discussing settlement since
4 October 2009 and have recently agreed to a non-binding term sheet that is intended to facilitate
5 the settlement of the case. *See Camors Decl. at para. 3.*

6 Plaintiff and Defendant are aware that the case management conference statement which
7 would be expected by the Court, would have to be filed no later than July 8, 2010. The Parties
8 believe that the use of the available time to draft settlement documents would best serve the
9 interests of justice and therefore request at least a forty-five (45) day extension or continuation of
10 the case management conference. *See Camors Decl. at para. 3.*

11 WHEREFORE, Plaintiff, Genmark Automation, Inc., and Defendant, Innovative
12 Robotics, Inc., stipulate and agree that the Case Management Conference should be continued to
13 a date that is at least 45 days after July 15, 2010, which will allow the Parties 60 days to seek a
14 final settlement of the case.

15 Respectfully Submitted,

16 Dated: July 2, 2010
