There is an unauthorized group in TN that is advertising on other groups. They are called MauryCountyFreecycle.org.

Maury County already has a group - FranklinColumbiaFreecycle.

Could someone please look into this?

Can't different towns in the county have a freecycle? I know right now I just have Leon County but if it grows would love to break it up by towns.

Contact your SNGA first to find out if it's a pending group. She'll report it as a rogue if necessary or at least tell them to stop advertising until the approval process is complete.

I think your SNGA for Tennessee is
