Class of 2006 college graduates, listen up! It's been almost six months since you left school. During this time, you haven't had to pay a penny on your student loans. If you want to consolidate your loans, remember it's a limited-time offer. Lock in rates as low as 5.3%.

No Prescription drugs.

1) KEEP IT FREE, LEGAL & APPROPRIATE FOR ALL AGES. This means, for example, no Alcohol, Tobacco, Firearms or Drugs, legal or otherwise. Two strikes and you're outa the group. This is our main Freecycle rule to live by and it's a pretty easy one at that. No advertising your yard sale, though, as you're looking for money and that isn't free...

I have 2 unopened packs of ortho-tri cyclen lo. I can't take them because they make me sick, but my dr. gave them to me and then placed me on the patch once she realized the pill makes me sick. Again, they are both unopened. If you want them, please let me know.
