Hi, am owner of Citrus Co Freecycle (Florida) Group. I had someone try to join my group saying the following:

"I'm an IMOD and I have a mod applicant that says he's a member of this group. I wanted to check his posting habits."

She then gave me the members name, I did a search and this member has never posted in my group so I sent her a message telling her so and denied her membership - she is from California.

I did not know who she was - and it made me nervous - was wondering if any of you have heard of this group? Is it related to Freecycle?

Thanks for your help.

IMods are Interrim Moderators and they are a dedicated team here on  
Freecycle! They help out with abandoned groups, starting new groups  
when one leaves, and a whole lot more!

Typically they just ask other owners about someone if they have a  
question, I'm not sure why they would want to join the group.

Eitehr way, they are legitimate!
