Hi Tim,

I'll update your link on the FreeSharing.org directory when I get home from ringing my bell.

If anyone else has a site they wish to have listed please let them know to submit it at:

http://freesharing.org/html/submit_a_site.html

and I'll get them posted tonight.

I have about 10 new sites to post tonight which will bring the directory up to about 325 groups.

Best of luck rebuilding what TFN destroyed,

Eric Burke
