A New Way to Save Your Retirement

While most retirees rely on pensions and 401k's, a small group of Americans are now pocketing thousands every month, thanks to a former Pennsylvania Governor and Presidential Advisor. The *Los Angeles Times* says to consider it, if you are "looking for an investment that keeps growing, regardless of recessions or stock market turmoil."

Re: Garage Sales

You are totally right! No yard sales or garage sales of any kind, unless everything is free.

1) GARAGE SALES: Definitely not allowed. The "Keep it free, legal & appropriate for all ages" rule voted on by all mods a couple months

back was clearly footnoted to apply to the post and to the item posted. Only totally free garage "sales" are allowed -- I like to call these and free swap meets "Freecycle(TM) Free Bees" (a bee is a charitable coming together of people for a common cause, like a quilting bee).

This is an advertisement, pure and simple. You have no way of knowing if their idea of "lots of free stuff" is a (small) box full of dozens of broken washers and rusty screws. If they really have stuff they aren't planning on *selling* at the yard sale, they can post it now and have it picked up whenever they like. To force people to come to the yard sale to get items that are not described is just the worst kind of advertising.

You've already explained it to them, so just reject it.

Just my \$.02,
