Dear Dawna & Pat Chipman,

Please cease and desist from using the word "Freecycle," or "The Freecycle Network" or the Freecycling concept for your yahoo groups. The name and concept of "Freecycle" and "Freecycling" are the sole propriety of RISE, Inc. and its affiliated programs. Your membership in the moderator group has been revoked and your membership in The Freecycle Network terminated. Any links to your Yahoo Groups have been removed from the freecycle.org website. While you did not respond to my request for a list of which groups you own, those specific groups which I have been able to ascertain (to the best of my knowledge) are under your ownership(s) include:

- 1) Linn-BentonCountyFreecycle
- 2) LincolnCountyFreecycle
- 3) AlbanyOregonFreecycle
- 4) MadrasFreecycle
- 5) CorvallisOregonFreecycle
- 6) FreecycleNewport

Please discontinue the use of the Freecycle name and concept with these and any other groups which remain unknown to me.

Sincerely yours,

Deron Beal
