Subject: [freecyclemodsquad] i thought this site was to share ideas/help new moderators/owners

i am really disappointed. i asked a question, got not a single response. but you all have gone over & over & over & over & over & over the same things so many times. have you heard of the whiners group? i joined it before i started mt hood freecycle. i guess this is NOT the site to ask a question that you really need answered about a legitimate question. but if you want to debate a subject for ever & ever & ever & ever & ever this is where to go.
