UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

SUN MICROSYSTEMS INC.,

Plaintiff,

No. C 06-1665 PJH

v.

**ORDER GRANTING MOTION
TO SEAL ON LIMITED GROUNDS**

HYNIX SEMICONDUCTOR INC., et al.,

Defendants.

_____ /

Having reviewed Hynix's administrative motion to seal filed in connection with Hynix's motion for an exclusion order and adverse inference instruction against plaintiff due to spoliation of evidence, as well as plaintiff's and non-party Samsung's response thereto, the court hereby GRANTS the request with respect to the settlement agreement between Sun and Samsung. With respect to all other exhibits and documents submitted for sealing, Hynix's request is DENIED.

The parties are instructed to publicly file in the docket unredacted copies of all documents and exhibits for which sealing has been denied, no later than ten days from the date of this order.

IT IS SO ORDERED.

Dated: May 11, 2009

PHYLLIS J. HAMILTON
United States District Judge

United States District Court
For the Northern District of California
