I am readily familiar with the firm's practice of collection and processing
correspondence for mailing. Under that practice it would be deposited with the U.S. Postal
Service on that same day with postage thereon fully prepaid in the ordinary course of business. I
am aware that on motion of the party served, service is presumed invalid if postal cancellation
date or postage meter date is more than one day after date of deposit for mailing in affidavit.

I declare under penalty of perjury under the laws of the State of California that the
foregoing is true and correct.

Executed on October 30, 2012, at Walnut Creek, California.
