Re: *BridgeLux, Inc. v. Cree, Inc. and Trustees of Boston University*,
Case No. C-06-6495-PJH

Date

Dear Judge Hamilton:

CMC continued 10/30/08

On August 7, 2008, this Court granted the parties' Joint Motion to Stay Discovery and Continue the [Case Management] Schedule extending deadlines in this action to allow the parties to continue settlement discussions. Subsequently, on August 18, 2008, the Court issued a minute entry on the docket requiring that the parties submit a Joint Case Management Statement on September 11, 2008, followed by a Case Management Conference on September 18, 2008. We write to inform the Court that the parties have made significant progress and their settlement discussions are continuing. To avoid consuming the Court's time and to permit the parties to finalize their settlement negotiation and agreement, the parties respectfully request that the Court continue the Case Management Conference and jointly propose that the dates for submitting the Joint Case Management Statement and the Case Management Conference be extended by at least four weeks — to October 9th and October 16th, respectively.

Sincerely,

David C. Radulescu
