Don't blame us for third-party content or services. Our next-generation 3G service is available in select locations in the US and Canada. The CDMA service is not available in all areas. Some of these features are subject to change without notice. Helio may be an additional service to be purchased separately. There are some restrictions for use of Helio. See your local representative for the full terms, conditions and limitations of Helio. Helio and Helio Buddy are trademarks of Helio LLC and all other marks are the property of their respective owners. Helio, Helio Buddy and Helio are registered trademarks of Helio LLC. Helio Buddy is a registered trademark of Helio LLC. Helio and Helio Buddy are trademarks of Google Inc. in the United States and elsewhere. All rights reserved. For more information on Helio, visit [www.helio.com](http://www.helio.com). Helio Buddy is the only person who's ever in this for real. ©2008 Helio LLC.

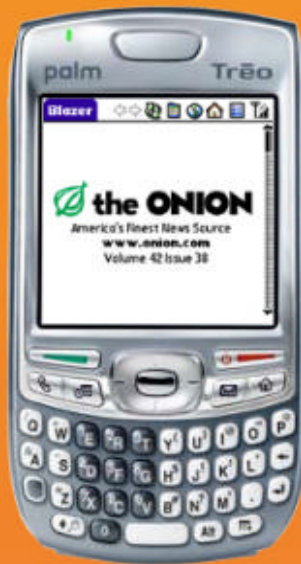

## DON'T CALL IT A PHONE.

Drop yourself some knowledge with our exclusive new Drift™. It's the place to get the latest in navigation technology, like GPS-enabled Google Maps and our one-of-a-kind Buddy Beacon™. Just flip on the Beacon when you want your people to find you and the dance floor. Then turn it off when you slip away to the V.I.P.
