 22 the Administrator that was intended as a list of members of the class herein, and the  
 23 Administrator subsequently mailed class action notices and requests for exclusion to each person

25 WHEREAS, in preparing a list of class members in the related case of *Perez v. Safety-*  
 26 *Kleen*, No. 05-5338 PJH in this Court, Safety-Kleen discovered a number of errors on the  
 27 original list, specifically 44 names that did not belong on the list and 33 names that should have  
 28 been on it, but were not;

1 NOW THEREFORE, it is hereby stipulated among the parties hereto that the Court may  
2 order the following:

3 1. Safety-Kleen shall submit to the Administrator a list of the names that were on the  
4 original list and should not have been and a list of the names that were not on the list, but should  
5 have been.

6 2. The persons originally included on the list who should not have been shall be

10 3. The persons erroneously omitted from the original list shall be sent copies of the  
11 class notice and request for exclusion following the same procedures previously followed, except  
12 that the deadline for responding shall be inserted by the Administrator and shall be 30 days from  
13 the date of mailing, unless that date falls on a Saturday, Sunday or holiday, in which case it shall
