No. 07-CV-01658 PJH (EDL)

TRIAL STIPULATION AND [PROPOSED]
 ORDER NO. 2 REGARDING CERTAIN
 FACTS

07-CV-01658 PJH (EDL)

1 Plaintiffs Oracle USA, Inc. (“Oracle USA”), Oracle International Corporation
2 (“OIC”), and Siebel Systems, Inc. (“SSI”; and, together with Oracle USA, and OIC, “Oracle”)
3 and Defendants SAP AG, SAP America, Inc., and TomorrowNow, Inc (“TN”; and, together with
4 SAP AG and SAP America, Inc., “Defendants”; and, all together with Oracle, the “Parties”),
5 jointly enter this Stipulation and Order (the “Stipulation”).

6 WHEREAS, the Parties seek to narrow the issues in dispute for trial;

7 **NOW, THEREFORE, THE PARTIES HEREBY STIPULATE**, through their
8 respective counsel of record, as follows:

9 **I. DEFINITIONS**

10 1. “Copy,” used as a noun, means a reproduction of, a derivative work of, a
11 distribution of, or a public display of at least a portion of any Oracle Enterprise Software, Oracle
12 Database Software, Oracle Install Software or Oracle Updates and Support Materials that
13 embody one or more Stipulated Registered Works. “Copy,” used as a verb, means to reproduce,
14 to create a derivative work from, to distribute, or to publicly display at least a portion of any
15 Oracle Enterprise Software, Oracle Database Software, Oracle Install Software or Oracle
16 Updates and Support Materials that embody one or more Stipulated Registered Works.

17 2. “Object(s)” are building blocks of the large, enterprise software products at issue in
18 this case. Objects relevant to this case include COBOL files, SQR files, SQC files, PeopleCode
19 objects, DAT files, DMS files, batch files, configuration files, .c and .h files and others.
20 Combinations or portions of these Objects are contained within some other files, such as
21 Electronic Software Updates (known as “ESUs”), code changes and paper fixes.

22 3. “Oracle Database Software” means Oracle’s Relational Database Management
23 System software.

24 4. “Oracle Enterprise Software” means Oracle’s J.D. Edwards Software, Oracle’s
25 PeopleSoft Software and/or Oracle’s Siebel Software, or portions thereof.

26 5. “Oracle Install Software” means install media in the form of a CD or DVD, an
27 electronic image of a CD or DVD, a binary executable, or a compressed file that, when run or
28 executed, creates one or more instances of Oracle Enterprise Software or Oracle Database

07-CV-01658 PJH (EDL)

1 Software.

2 6. “Oracle’s J.D. Edwards Software” means Oracle’s J.D. Edwards-branded enterprise
3 application software.

4 7. “Oracle’s PeopleSoft Software” means Oracle’s PeopleSoft-branded enterprise
5 application software.

6 8. “Oracle’s Siebel Software” means Oracle’s Siebel-branded enterprise application
7 software.

8 9. “Oracle Updates and Support Materials” means some or all of the program updates,
9 software updates, bug fixes, patches, custom solutions, and instructional materials created or
10 owned by Oracle, or derived from, copied from, or based on any such materials, including any
11 such materials generated or distributed by TN, for PeopleSoft-branded, J.D. Edwards-branded,
12 and Siebel-branded products.

13 10. “Stipulated Registered Works” means Oracle’s copyright registrations for Oracle
14 Enterprise Software, Oracle Database Software and Oracle Updates and Support Materials as
15 listed in Attachment A.

16 **II. FACTS**

17 **A. Interpretation under the Case Management and Pretrial Order**

18 11. Sections I and II.B-II.C of this Stipulation shall be considered “relevant and
19 undisputed facts to which the parties will stipulate for incorporation into the trial record without
20 the necessity of supporting testimony or exhibits.” *See* Case Management and Pretrial Order,
21 Dkt. 84, at 3(a)(iii).

22 **B. Oracle’s Copyright Registrations**

23 12. Oracle USA, together with predecessors-in-interest, or SSI authored each of the
24 Stipulated Registered Works.

25 13. OIC or SSI owns all of the Stipulated Registered Works.

26 14. OIC holds exclusive copyright rights in all of the Stipulated Registered Works.

27 15. TN committed direct copyright infringement with respect to each of the Stipulated
28 Registered Works.

1 16. SAP America, Inc. is vicariously liable for TN’s direct infringement of each of the
2 Stipulated Registered Works.

3 17. SAP AG is vicariously liable for TN’s direct infringement of each of the Stipulated
4 Registered Works.

5 **C. Copyrightable Subject Matter**

6 18. Each Stipulated Registered Work includes one or more computer programs or other
7 literary works that are original works of authorship fixed in a tangible medium of expression
8 under the meaning of the copyright law, and is protected under United States copyright law.

9 19. Software companies typically create many new versions of their software, and
10 voluminous updates to it that they separately create. The versions of Oracle Enterprise Software
11 and Oracle Database Software, Copied by TN, may not match exactly the versions of the Oracle
12 Enterprise Software and Oracle Database Software in the Stipulated Registered Works.
13 Nonetheless, the Copies on TN’s computers sufficiently match the Stipulated Registered Works
14 to constitute Copies of the Stipulated Registered Works.

15 20. Copies made by TN embody particular expressions, protected by the copyright law,
16 that are expressions of ideas found in one or more of the Stipulated Registered Works. Certain
17 of the Stipulated Registered Works contain Objects and Schema.

18 21. Some Objects, including COBOL, SQR, SQC, DAT, .c, and .h files, are protected
19 by United States copyright law.

20 **III. ADMISSIBILITY OF EVIDENCE**

21 22. The Parties agree that Attachment A shall be admitted into evidence at trial.

22 **IV. APPLICABILITY**

23 23. The Parties reach this stipulation for purposes of this action only, and this
24 stipulation has no force or effect in any other proceeding or jurisdiction.

25 24. Nothing in this Stipulation is intended to, or does, alter or change in any way Trial
26 Stipulation and Order No.1 Regarding Liability, Dismissal of Claims, Preservation of Defenses,
27 and Objections to Evidence at Trial (D.I. 866).
