**ORDER SCHEDULING FURTHER
CASE MANAGEMENT CONFERENCE
AND TERMINATING MOTION**10
11 U.S. FOREST SERVICE,12 Defendant(s).
13 _____/14 Given the parties' interest in commencing settlement discussions rather than
15 engaging in motion practice at this time, this matter is referred by separate order to a
16 magistrate judge for an immediate settlement conference. A further case management
17 conference will be held on January 15, 2009, at 2:30 p.m.18 With respect to defendant's motion to sever and transfer filed on August 6, 2008, in
19 lieu of the stipulation and proposed order filed by the parties (docket no. 63), the court
20 enters this order. The reply brief shall be filed by September 3, 2008, however, the
21 September 10, 2008 hearing date is VACATED, and the motion (docket no. 51, 52) is
22 ADMINISTRATIVELY TERMINATED pending settlement discussions between the parties.
23 Should the settlement discussions not prove fruitful, the fully-briefed motion can simply be
24 re-noticed for hearing. Unless and until it is re-noticed, it will remain off calendar. A date
25 for hearing, if necessary, will be discussed at the next case management conference.26 **IT IS SO ORDERED.**
