IN THE UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF CALIFORNIA

3 DERRICK D. SIMS.

No. C 08-1691 SBA (PR)

Plaintiff.

ORDER DENYING PLAINTIFF'S 56(f) MOTION AS MOOT

(Docket no. 66)

MICHAEL C. SAYRE, et al.,

Defendants.

On October 4, 2010, Defendants filed a motion for summary judgment. Plaintiff's opposition is due on December 6, 2010.

In an Order dated November 1, 2010, the Court denied Plaintiff's motion to compel discovery after construing it as a request for a continuance for discovery pursuant to Rule 56 of the Federal Rules of Civil Procedure.¹ The Court also denied Plaintiff's motion for sanctions.

Before the Court is Plaintiff's "Motion for Continuance to File Opposition to Defendants' Motion for Summary Judgment [sic]." In that motion, Plaintiff requests for a continuance under Rule 56(f), and he alleges that "Defendants failed to comply with [his] requests for production of documents, and admissions as well as interrogatories necessary to complete [his] opposition to summary judgment [sic] in this matter." (Pl.'s Mot. at 1.)

In its November 1, 2010 Order, the Court found that a continuance under Rule 56(f) was not warranted stating:

As the Ninth Circuit stated in Continental Maritime v. Pacific Coast Metal Trades, 817 F.2d 1391, 1395 (9th Cir. 1987), under Rule 56(f) "the party seeking a continuance bears the burden to show what specific facts it hopes to discover that will raise an issue of material fact." <u>Id.</u> Plaintiff has not met this burden. The requested documents are sought without explanation of what specific, material facts these documents will likely disclose. Plaintiff does not explain in his motion to

Should it appear from the affidavits of a party opposing the motion that the party cannot for reasons stated present by affidavit facts essential to justify the party's opposition, the court may refuse the application for judgment or may order a continuance to permit affidavits to be obtained or depositions to be taken or discovery to be had or may make such other order as is just.

Fed. R. Civ. P. 56(f).

¹ Rule 56(f), entitled "When Affidavits are Unavailable," states:

compel what specific facts he hopes to discover that will raise an issue of material fact. Plaintiff fails to demonstrate how "additional discovery would have revealed specific facts precluding summary judgment." See Tatum v. City and County of S.F., 441 F.3d 1090, 1101 (9th Cir. 2006). In addition, Defendants claim they have responded to Plaintiff's discovery requests. Thus, Plaintiff has not met his burden under Rule 56(f). Therefore, the Court DENIES Plaintiff's request for a continuance for discovery pursuant to Rule 56.

(Nov. 1, 2010 Order at 3.)

Plaintiff's newly-filed 56(f) motion is identical to his previously-filed motion to compel, which had been construed as a 56(f) motion. Because the Court has already denied Plaintiff's previously-filed 56(f) motion, the present 56(f) motion (docket no. 66) is DENIED as moot.

This Order terminates Docket no. 66.

IT IS SO ORDERED.

DATED: 11/9/10

United States District Judge
