 26 (“MRT”) and Defendants David Burgess (“Burgess”), Kestrel Signal Processing, Inc. (Kestrel”)
 27 and Range Networks, Inc. (“Range”), (collectively, the “Parties”), by and through their
 28 respective attorneys, stipulate and agree as follows:

Greenan,
 Pepper,
 Sallander &
 Lally LLP

1 1. On August 28, 2008, at the first Case Management Conference in this case, the
2 Court set a series of deadlines for the management of this case. Relevant to this stipulation is the
3 Court's setting of January 30, 2009 as both the deadline to add additional parties and for
4 mediation to have occurred (taking into account the mediator's schedule). Case Management
5 Order, dated September 5, 2008 (Docket No. 18.)

6 2. At the Case Management Conference, the Parties advised the Court that Judge
7 Edward Infante (Ret.) of JAMS had previously presided over a one day mediation in this matter.
8 The Parties again wish to retain the services of Judge Infante in order to attempt to settle this
9 matter without need of further litigation. The soonest available date for mediation in light of
10 Judge Infante's schedule and the schedules of the Parties is February 17, 2009. Because of this
11 timing, the Parties wish to postpone the deadline to add additional parties until after the
12 mediation has concluded. The Parties agree that ten days post-mediation, or until February 27,
13 2009, is a reasonable extension of the deadline to add additional parties. It is submitted that such
14 an adjustment to the Court's scheduling order will facilitate mediation and conserve judicial
15 resources.

16 3. At this time, the Parties do not seek any change to the remaining deadlines in the
17 Court's September 5 scheduling order, including, without limitation, the time to assert additional
18 claims against the Parties to the action.
