Case No. C 08-2379 CW

**THIRD STIPULATION AND ORDER
 EXTENDING DEADLINE TO ADD
 NEW PARTIES**

20 Plaintiffs Massimiliano Martone and Martone Radio Technology, Inc., by and through
 Mary McNamara and Ed Romero, and defendants David Burgess, Kestrel Signal Processing,
 21 Inc., and Range Networks, Inc., by and through Christopher W. Sweeney, hereby stipulate and
 22 agree as follows:

23 1. The Court's September 5, 2008 scheduling order set a deadline of January 30,
 24 2009 for mediation and to add new parties and claims. On February 2, the Court on stipulation
 25 of the parties ordered those deadlines extended to February 27. The parties sought extensions to
 26 accommodate the schedule of the mediator, Judge Infante, and to allow the parties a reasonable

1 time after mediation to determine whether to seek to add new parties to this action.

2 2. On February 17, the parties engaged in a half-day mediation with Judge Infante
3 and discussed a framework for resolution of this case. On February 24, again on stipulation of
4 the parties, the Court extended the deadline to add new parties to this action to March 18.

5 3. Since that time, the parties have been meeting and conferring about settlement
6 terms according to a schedule decided upon at mediation. The parties have made substantial
7 progress towards settlement. However, the parties must still resolve complicated licensing
8 issues, among other outstanding issues, before a binding resolution is reached. To allow
9 negotiations to continue, the parties request a deadline of April 15, 2009 as the new date to add
10 new parties. The parties believe that this extension will facilitate settlement and will conserve
11 judicial resources.

12 4. At this time, the Parties do not seek any change to the remaining deadlines in the
13 Court's September 5 scheduling order, including, without limitation, the time to assert additional
14 claims against the Parties to the action.

15 IT IS SO STIPULATED.
