issues that have arisen regarding information and documents requested by Plaintiff through his Request for Production of Documents and Interrogatories.

3. The parties are in the process of attempting to resolve the outstanding discovery issues informally. However, if after conferring, the parties cannot come to an agreement regarding the production of documents, Plaintiff will file a motion to compel discovery.

4. The parties agree that a mediation should not occur until after Plaintiff has had the opportunity to depose Defendant. In order to provide additional time to resolve the discovery issues and depose Defendant, the parties stipulate that the deadline for mediation be extended 60 days to March 12, 2009.

5. This is the first time the parties have requested an extension of the deadline for mediation.
