Dear Dr. Schmidt:

Despite my client's letter of May 5, 2008 (a copy of that letter and of the '386 patent is attached) and mine of June 4, 2008 (copy also attached), I have yet to receive *any* response from Google.

Given that Netlist has been a partner of Google's in the past and looks forward to continuing that relationship in the future, we would prefer to resolve this matter through a business resolution rather than litigation. But if I have not heard from you by **Friday, June 27, 2008**, we will be left with no alternative.

Very truly yours,

Scott Oliver
